Build a Talent Dashboard

Performing a talent audit helps managers do a better job of planning for projects and configuring teams. **First**, identify the talents you need to have access to:

Next, map talents to team members:

Person	Talent
Anand	
Cameron	
Emily	
Kevin	
Roberto	
Stephani	
Susan	
Xia-Li	

Finally, assess how much depth you have for each type of talent:

Talent	Depth
Project management	
Data wrangling	
Data analysis	
Subject expertise	
Design	
Storytelling
